

OKLAHOMA HERITAGE SCHOLARSHIP COMPETITION

Saturday, April 24, 2010

EXAMINATION

Open to 9th, 10th, 11th, and 12th grade students, the Oklahoma Heritage Scholarship Competition examination is based on Oklahoma's history and its people. A study guide for the examination is available at www.oklahomaheritage.com under the scholarship tab.

MATERIALS NEEDED

Students must bring at least two No. 2 lead pencils to the exam.

TESTING SITES AND PROCEDURES

Sixteen test sites have been provided statewide. A student may select any test site to take the examination. However, a test site preference must be indicated on the registration form, and the student must take the examination at that test site.

The examination will be given at **9:30 a.m. on Saturday, April 24, 2010**, at the designated testing sites. Students should arrive no later than **9:00 a.m.** to sign in and prepare for the testing. There is a two-hour time limit on completion of the examination.

The registration slip provided below must be returned to the Oklahoma Heritage Association no later than Friday, April 16. All students must be pre-registered to participate. If you do not receive confirmation by Wednesday, April 21, or you have questions, please call Gini Campbell at 405/523-3202 or toll free 888/501-2059. Due to space limitations, do not register unless you intend to participate. Copies of the registration slip will be accepted.

Immediate family of Oklahoma Heritage Association directors and staff are not eligible to participate. Registrants must be legal residents.

TERMS

The cash scholarship funds will be held in trust for each scholarship winner until he/she graduates from high school and enrolls in a post-secondary educational institution. Such institutions include a vocational-technical school, junior college, four-year college, or university. Scholarship funds may not be used for concurrent enrollment during the student's senior year of high school. Scholarships must be used within two years of high school graduation.

The recipient must enroll in an institution of higher learning the first fall semester following high school graduation or forfeit the scholarship. Following enrollment and acceptance to an approved institution, scholarship funds will be paid out to cover the cost of tuition, on-campus room and board, books, and fees. Scholarship funds will be paid directly to the institution.

Students can earn a maximum of one \$1,000 cash scholarship and one tuition grant as a result of their performance during their four years of eligibility. However, only one scholarship can be earned per year.
