The *Earning & Learning with Oklahoma* program highlights Oklahoma's most treasured resource—our people. Recognized as the leader in publishing Oklahoma's history, the Oklahoma Heritage Association is increasing pride in being an Oklahoman while providing an opportunity for school groups, clubs, and organizations to raise much needed funds by celebrating one of their own.

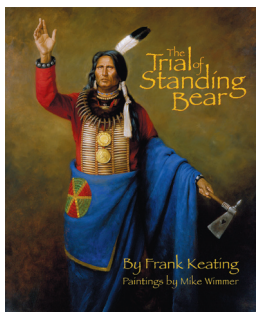

Partnering agencies earn 50% of the retail price of the selected

book(s) with no out-of-pocket investment. In many cases, the subject or author of the book is available as a speaker or for a book signing. In addition, the Association provides the materials necessary to make your fundraising event a success.

No

Top sellers receive passes to the award-winning Gaylord-Pickens Oklahoma Heritage Museum and a one-year subscription to *Oklahoma: Magazine of the Oklahoma Heritage Association*.
