Education

Scholarships available to Oklahoma savvy students

Friday, February 2, 2007 5:10 PM CST

The Oklahoma Heritage Association's (OHA) County Scholarship Competition provides an extra opportunity for Oklahoma high school students to earn scholarships and grants for college, Shannon Nance, OHA president, said.

With more than \$400,000 available to students statewide, the OHA offers \$1,000 in cash or tuition grants to students in each county who earn high scores on an Oklahoma history test. Sequoyah County has five scholarships available, Nance said.

The test will be given on April 7 at 12 locations across the state. Students in grades nine through 12 are eligible to take the exam, and all students must pre-register by March 23.

"This program is designed to reward Oklahoma students who have taken an interest in the rich history of our great state," Nance said. "It also encourages Oklahoma students to stay in state to attend college and hopefully remain here to live and work after receiving their degrees."

A list of scholarships available in each county or to register for the test visit the Web site at www.oklahomaheritage.com or call (405) 235-4458. A study guide for the exam is also available at the Web site.
